

SUMMARISED CUSTOMER NOTES

From the final presentation which was presented on April 12 2024 Customer has given the feed back on our Website.

- ➔ Customer advised to make some modification in the User Blog Posts and advised us to change naming convention of the posts and blog
- ➔ Customers liked the initial presentation which we gave, where we described about the problem and challenges
- ➔ Customers liked the navigation between pages
- ➔ Previously customers advised us to remove the flags and country names for the bilingual plugin and we have updated that accordingly with one click.
- ➔ Customers also gave good feedback on the way we have adapted the member profile, their credentials and Privacy
- ➔ Customer have previously advised us to change the verbiage of “Friends” to “Connections” and we have implemented it accordingly
- ➔ In the primary requirements it was mentioned to establish the collaboration between members and that was achieved by adding connection request
- ➔ In Blog Posts, customer also gave us an idea to share the invitations and we did it implement accordingly.
