**Project Status** Yellow

**Status  
Description**

- We have developed and changed all the themes which were suggested by the customers. We concentrated on Member Profiles and their research interests.
- To restore the project's green status, the plan is to prioritize and complete the remaining tasks like Word cloud, and Group research interests Re-arrangements.

### Activities—During the Past Week

- Our Team focused on updating different designs
- Concentrated on Member and User Profiles Creation Using Plugins
- Focused on creating collaboration by forming Similar Groups.
- Build a Network Map as well using Map Plugins.
- Worked on Bilingual Functionality.

### Activities—Planned for Next Week

- The focus will be on rearranging the groups in place of Research interest.
- All the research Interests should be under the Humanities and Engineering.

### Project Issues

- No issues.

### Project Changes

- There were many design changes for the website, which were suggested by the customer. We did implement those.
