

Customer Feedback

- ➔ The customer advised us to work on the groups and change the naming convention.
- ➔ Humanities and engineering are the main groups with different research interests.
- ➔ The customer has advised us to work on the word cloud in a detailed manner.
- ➔ The customer also suggests we focus more on maps and make sure to align it with our home page.
- ➔ The customer advised us to remove the flag icons in the bilingual functionality and make sure it has both English and French functionality options.
