Feedback on our team – Group C

- From Professor - Need to add membership option in our 1st release of MVP.
- From Customer- Need to remove the registration for workshop under Event browsing option (upcoming and current) as they have only one yearly workshop.

Our **Overall** understanding based on customer feedback to each team.

- Having comment function on the shared content is acceptable, and like/follow or any reaction function is not required.
- It is SIG networking site not self-promotion site.
- SIG website will be a standalone site.
- DM function is nice to have otherwise email function is ok.
- Payment feature is not required.
- Two official languages English and French is ok. No more languages require.
- Accessibility is a nice to have function.
